----:o:----

The system of house numbering requires rectifie in the following areas in South Kanara District.

(1) Coondapur Major Panchayat.

(ii) Thekkatte and Kumbhani Minor Panchayats in Coondapur taluk

(iii) Puttur- Major Panchayat.

(iv) Moolky- Major Panchayat.

The proposals for the rectification of defects in house numbering are as follows.

(i) Coondapur Major Panchayat:- I invite attention to Memorandum No.1935-52-2 P(E) D. Dated 1.5.52 and the proposals submitted in my Ref.C.No.All.12479/52 dated 20.8.52. The renumbering of all the houses in this ar may be ordered to be taken up. The President of the Coondapur Panchayat Board reports that 3 months may be required to renumber all the houses in all the wards and that the probable expenditure may be Rs.450/ (four hundred and fifty) I am of opinion that the renumbering can be finished earlier if more persons ar put to the job.

(ii) Tekkatte and Kumbhanhi Panchayats -- I invite attention to my report Ref.C.No.12479/52- All dated 5.9.52 and the orders of the Government in their No. 12-52-5 P (E) D. dated 12.9.52. There are now two separ Panchayat Boards in the place of the old Thekkatte Panchayat Board. The Thekkatte Panchayat Board compris of the revenue village of Thekkatte while the revenue

village of Kumbachi constitutes the Kantachi P.D. These two panchayat areas consist of seven blocks in all; blocks 2, 3, 4 and 5 being included in Thekkatte P.D. and blocks 1, 6 and 7 being situated in Kumbachi. Entire blocks are situated in two different panchayats even after bifurcation and hence revision of house numbers is necessary to the extent of alteration of Block numbers only. The work of renumbering the block numbers can be got done through the Village Officers concerned within a fortnight. Hence no additional expenditure is necessary except the cost of coal tar which may not exceed Rs.5/- (five).

The electoral rolls rough plans and key lists of Coondapur, Thekkatte and Kumbhachi Panchayats are enclosed. I recommend that the re-numbering of all the hou in Coondapur Panchayat areas and renumbering the blocks i Tekkatte and Kumbhachi Panchayat areas may be ordered. Coondapur Assembly Constituency was intensively revised last year.

(iii) PUTTUR MAJOR PANCHAYATS: I invite attention to my report Ref.C.No./11. 12479- 52 Dated 20.9.52, and Govt. Telegram No.I[illegible]-52-S P (E) D Dated 27.9.52. The defect in house numbering may be rectified by adopting the block-system of numbering as follows:

(1) Electoral rolls may be prepared for each block separately as at present and the numbers assigned at present to those blocks may be retained.

(2) Block No.1 Pol am may be divided into 2 blocks with Puttur-Vepinamaidy road as the dividing boundary line. Block No. 7 Darbe may also be divided into two blocks, with the Mangalore Mercara Road upto Darbe and the Darbe Subramanian road in continuation as the dividing line. These roads have been shown in the rough plan submitted with my Ref. A'1. 12479/ 52 dated 20.9.52. The remaining blocks may remain as single blocks. A comparative statement showing the approximate total number of houses in each street at present and in each

(3) The houses in each such block may be ~~xx~~numbered in separate continuous series.

The cost of numbering the houses is estimated at R two hundred only. The approximate period required for numbering the houses is 56 days.

The electoral rolls and key lists of the blocks a enclosed. Puttur Assembly constituency was intensively revised last year.

(iv) MOOLKY MAJOR PANCHAYAT: A detailed report has be called for from the Revenue Divisional Officer, Mangal I shall submit my proposals in respect of this panchya by the end of this month as already reported.

The defects in house numbering in the Puttur and Coonda Major Panchayats are serious. They need rectification in ord to avoid confusion and maintain uniformity. As it cannot be taken even this year as the revision (non intensive) of [illegible] for this year in the Coondapur and Puttur Assembly constituc has already commenced on 1.6.53 and the preliminary publicat draft electoral rolls already done in the first week of this month, the rectification of defects may be taken up sufficie early next year.

Memorandum No. 6286/54-4 dated 8-3-54

Sub: Electoral Rolls - Coondapur and Puttur Major Panchayats - Defects in House-numbering and electoral rolls - Rectification.

Ref: From the Collector of South Kanara, letter Ref. No.A.II. 12479/52 dated 5-5-1952.
From the Collector of South Kanara, letter Ref. C.No.27718/53-A8, dated 16th Jan. 1954.

1 The Government pass the following orders for rectification of defects in house-numbering and electoral rolls in Coondapur and Puttur Major Panchayats ~~reported~~ referred to in the Collector's letters cited.

Coondapur Panchayat.

~~The Collector of South Kanara~~ in paragraph 1 of ~~his~~ 21- is stated letter first cited ~~has stated~~, that in this panchayat area, house numbering has been done in one series for each ward (block) and that new houses ~~that~~ which have sprung up after 1945 have been numbered in continuation of the number assigned to the last house in that ward (block), instead of giving sub-numbers or fresh numbers with reference to the location of houses. ~~The defects here therefore is only in the assignment of sub-numbers or fresh numbers to houses according to the location of newly sprung houses in the area.~~ The Govt. consider that these defects can be carried out this year even though ~~this area is~~ (the rolls of the area will be revised) only non-intensively ~~revised this year~~. The Collector is ~~therefore~~ requested to issue immediate instructions ~~to revise the house-numbers, to the extendt extent necessary~~, for rectification of defects according to the instructions issued in paragraph 2 of Memo. No.723/50-1, Public (Elec.), dated 7th June 1950. ~~The rough plan should be amended to the extend necessary~~. Necessary corrections should also be carried out in the rough plan, and the electoral rolls ~~and the N.R.Cs. concerned~~.

3 Puttur Major Panchayat.

The Collector's proposal to revise the house-numbering system in this area by adopting the block system of numbering is agreed to. The entire area should first be ~~spent~~ split up into blocks with about 100 houses in each block (or slightly more or less) and the blocks numbered in one series. The houses in

each block should then be numbered in a separate series. The number marked on the houses under this system will be two numbers--e.g. "5-10" where the first number indicates the block number and the second number the house-number. The numbering of blocks and houses should be done strictly in accordance with the instructions issued in para.4 of Annexure I to G.O.No.2008, Public (Elections), dated 19-8-1948.

The electoral rolls relating to this area should be revised afresh. The rough plan should also be amended. ~~Orders about the re-writing of N.R.Os. will be issued separately. This area will be treated as an intensive revision area during the revision this year.~~

4 The work of numbering the houses both in Coondapur and Puttur Panchayats should be completed as quickly as possible and in any case before 15-4-1954. A report on the completion of work should be submitted to Govt. on or before 15-4-1954. The work of numbering the houses should not in any way interfere with the programme of revision of rolls this year, orders on which will be issued shortly. It is necessary that the painting of numbers on the doors of buildings (and the entries in the New N.R.Cs., if it is decided to re-write the registers) should be checked by a supervisor of the status of a Revenue Inspector.

5 The expenditure on numbering of the houses in the panchayats should be met by the panchayats concerned--vide

Ref: Govt. Memo. No.6286/54-4, Public (Elections), dated 8-3-1954.

---

1. The Collector of South Kanara is requested to expedite the report on the completion of numbering the houses calle for in the Memorandum cited.

2. The question of amending the National Register of Citizens in the affected areas has to be taken up now. As the rectification of defects in Coondapur Panchayat was ~~out~~ a simple affair (by ~~in~~ numbering of new houses sprung up after 1945 according to the location of the houses,) ~~the Govt. consider it that~~ the N.R.Cs. relating to the affected areas in the Coondapur Panchayat need only be amended to the extent necessary ~~and not rewritten~~. The Collector is requested to take action accordingly ~~carry out the necessary amendment to the N.R.Cs. relating to the affected areas in Coondapur Panchayat, due to the rectification of defects in house numbering in the area~~

3. In Puttur Panchayat as the house-numbering in the enti area has been ordered to be revised by adopting the block system of numbering, the N.R.Cs. will have to be written afresh, for each block separately with reference to the position as on 1-5-54. The Collector of South Kanara is requested to put up proposals urgently for writing up the N.R.Cs. with details of stationery required for the purpose.

In the memorandum cited the Government have stated that the electoral rolls relating to Puttur Major Panchayat should be revised afresh strictly in accordance with the instructions issued in para 4 of Amendment to G.O. No.9008 Public (Elections) dated 19-8-1948 to the areas as being selected for such revision. As the entire Puttur Assembly constituency is now due for revision and this year it will not be possible to notify the boundaries of the Puttur Major Panchayat and to revise the electoral roll in accordance with the delimitation of the Puttur Major Panchayat as declared as a separate electoral area. This is in accordance with G.O.No.1405 dated 20.8.1954 and Para 2 of Government Memo.No.3887/54-1 Public (Elections) dated 20.8.54. In paragraph 3 of the Government memorandum cited 1 above, I have been requested to pick up proposals for wri up of the National Register of citizens of Puttur Major Panchayat with details of stationery required for the purpose. In this connection I submit that the work relating to the enumeration was got completed by 20.6.54. and the work of enumeration is being over-checked by the Supervisors, according to the programme already approved by me. The work of writing up of the National Register is in progress and the electoral rolls will be got ready for publication by 15.7.54. No special establishment has been employed for the above work so far. The only extra expenditure will be in the payment of remuneration to the enumerators and Section writers. I therefore submit that there are no proposals to be submitted in the matter of writing up of the National Registers.

2. The stationery required for the purpose of writing up of the National Registers was supplied from the Huzur store of stationery to enable the subordinate offic to push through the work without delay. I request therefore that the following articles of stationery may kindly be supplied to me to replenish the Huzur store.

In inviting the kind attention of the Government to the above Government Memorandum, I have to submit that I may be permitted to chang the ward divisions numbers in the houses within the Panchayat area in ac ordance with the fresh ward division ordered by the Regional Inspector o Municipal Councils and Local Boards at an early date.

I understand that there is liklihood of the electoral roll bei reprinted and in view of the fact the tax register should also be rewrit on account of quinquennium revision of taxes with effect from 1/4/1955 the change in ward number can be done now without much difficulty and co Further I have to submit that non-changing of ward divisions numbers in the buildings as per fresh ward division ordered by the Regional Inspect of Municipal Councils and Local Boards and in the electoral rolls create confusion especially at the time of elections to the Panchayats.

I, therefore, submit that necessary permission may be granted in the circumstances stated above.

2) Govt. Memo No.6286-54-4 Public (Elections) dated 8-3-54.

The defects in house numbering in Condapoor Panchayat Board are have been completely rectified and the lists of amendments to the existing rolls have been prepared in manuscript during this year's revision, according to instructions issued in Government Memo No. 6286-54-4 Public (Elections) dated 8-3-54.

2. The electoral rolls relating to the Condapoor Assembly Assembly Constituency were intensively revised in 1952 and the list of amendments for 1953 were consolidated and reprinted as a single roll in respect of each unit of the Constituency except for Condapoor Panchayat Board area for which only lists of amendments to the existing rolls were prepared and printed as per Government Memo No. 2588/53-11 Public (Elections) dated 23-8-53. In the ordinary course the rolls relating to Condapoor Panchayat have to be consolidated and reprinted this year.

3. It is seen from the letter Ref.C.No.684/54A dated 25-6-54 from the Executive Officer, Condapoor Panchayat, submitted to the Government in this office endorsement N.Dis.16418/54 dated 27-7-54 that there is a proposal to change the ward division numbers in the Condapoor Panchayat. With the revision of wards, the question of rewriting entirely the National Registers of Citizens and according the electoral rolls will again crop up. Hence it seems desirable to postpone the consolidation and reprinting of rolls relating to this Panchayat. The lists of amendments alone may be ordered to be printed this year. I solicit early instructions.

Attention is invited to the Memo on PPH 0-41 SH of the Spl. O at (T) according to which the Govt. of Madhya Kanara have submitted proposals for rectification of defects in house numbering and electoral rolls in Puttur and Coondapur Major Panchayats. The Govt. of South Kanara has only enclosed copies of his letter No 6758/53 A II dated 22.5.53 which was already submitted by him last year and has asked for orders of the Govt. for rectification of defects in house numbering and electoral rolls

i Major panchayats of Pullūr and Coondapur. In the above reference, the system of housenumbering is stated to require rectification in the following areas:-

(1) Coondapur Major Panchayat (2) Thekkatta and Kumbhasi Minor Panchayats in Coondapur taluks (3) Pullūr Major Panchayat and (4) Mulky Major Panchayat. Orders have already issued in respect of the areas in items (2) and (4) above and the defects in these areas have been carried out. See papers at (T). The defects in housenumbering and electoral rolls in Coondapur and Pullūr major panchayats now remain to be rectified. The nature of the defects in these two panchayats is given at 'A' and 'B' on pp 3-4 respectively. In July 53, the Coll. reported that the defects in these two panchayats are serious and need rectification in order to avoid confusion and maintain uniformity. These two panchayats were intensively revised in 1952 and the rectification of defects could not be taken up last year as the revision of rolls (not intensive) that year had already commenced on 1-6-52 and the preliminary publication of draft electoral rolls already done in the first week of that month. The consolidation and reprinting of rolls relating to these areas was however likely to be undertaken in this year with a

view to carry out the rectn sufficiently in advance of the revision of rolls this year. It is for orders whether the Collr may be asked to submit definite proposals giving the nature of defects & the method of rectifying them so that orders can be issued to carry out the rectn before the revision commences this year.

The defects in Coondapur Panchayat is only a question of assignment sub-number or fresh numbers to houses according to the location of the newly sprung up homes in the area. It was decided that the rectification of defects should be taken up this year.

This will necessitate house to house enquiries being made which may not be possible in a non-intensive revision Puttur Panchayat area comes up for intensive revision only in 1957. Howeve it has been decided in view of the serious defects in the system of numbering that the rectification of defects in this area should be taken up this year treating the areas as intensive revision areas as a special case-- vide the orders at A on p.9 N.F. of (L).

No.2588/53-11 Public (Elections) dated 23-8-1953.

In the ordinary course, the rolls relating to Coondapur Panchaya have to be consolidated and reprinted this year. The Executive Officer, Coondapur Panchayat proposes to change the ward divisi

numbers in the Coondapur Panchayat in accordance with the fresh ward divisions ordered by the Regional Inspector of Municipal Councils & Local Boards in order to avoid confus between the numbers given in the electoral rolls and the fresh numbers proposed to be given.

It is submitted that it has been laid down as a general rule that change in wards should not be taken as a ground for changing the system of numbering adopted in the area, unless the house numbering adopted in the area is not in accordance with the instructions contained in C No.2008, Public (Elections) dated 19th August 1948. As t rectification of defects in house numbering in the Pancha having been carried out now, there is no case for revisi of the existing house numbers. The attention of the Executive Officer, Coondapur Panchayat Board and the Collector of South Kanara may be invited to para 3 of Gov Memorandum No.3705/53-4, Public (Elections) dated 30-9-19 and they may be told that there is no case for revising th existing house numbers and that it should not be changed according to the fresh ward numbers now ordered by the Regional Inspector.

As regards the consolidation and reprinting of r relating to the Coondapur Panchayat area, the intention postponing consolidation from last year to this year was only to carry out the the rectification of defects in ho numbering. Now the rectification of defects has been carried out, rolls should be consolidated and reprinted this year.

Further the rolls relating to Coondapur Assembly Constituency in which the Coondapur Panchayat is include have already been consolidated and reprinted except for Coondapur Panchayat. It therefore becomes all the more desirable to get the rolls relating to the Panchayat con dated and reprinted this year.
